Thank you for inquiring about membership in the Garden State All Terrier Club. Established in 1981 by a devoted group of 11 Terrier fanciers, we have grown to be an active, vital club that saw the dream of AKC recognition come to pass in 1995.

In order to become a member of the GSATC, you must be in good standing with the AKC and agree to be bound by the GSATC Code of Ethics. You will need to complete the enclosed application and forward it, along with the two member sponsorship forms and a check for the first year's dues to the above address. Sponsors must be current members of the GSATC who are not related to each other.

It is the [responsibility](#) of the applicant all sponsor forms and 2 club functions returned to the Membership Committee as soon as possible so we can vote on approval. At a function or meeting please stop by and say hello so we can put the faces with the names.

Within a period of one year following the date of receipt of your completed application and sponsors' forms [you must participate in at least two \(2\) club functions](#). Participation in a club function is defined as attendance at a General Membership meeting or working (not merely attendance) at a club sponsored event. Once the participation requirement is met, the Board shall forward a recommendation to the general membership. At the next General Membership meeting, your application will be read and voted upon. It is important that you understand two things: 1. you must have two sponsors and 2. your application will Not be forwarded for a general membership vote until you have met the participation requirement.

Non-members are welcome to attend our meetings and other events. If you think you may be interested in eventually becoming a member of our Club, we encourage you to join us. It is a great way to know our members, get sponsorship, and meet the perception requirement.

We hold our MEETING AT THE Green Village Volunteer Fire Department. December and June we have a brunch at Rod's in Morristown.

We hope that you will continue to be interested in the GSATC. If you have any questions about the club or activities, please do not hesitate to call 973-586-3033.

Very truly yours,

Barbara & Lonny Hopler
